

I will provide a 11x14 canvas for our art piece. I will bring extra brushes as well in case you don't have a particular size.

Supplies needed: \*\*\*

Acrylic Paints

The Colors we will be using are: Windsor Yellow (or any bright yellow), Ultramarine blue, Burnt Sienna, Black, White, Bright Orange and Magenta.

Basic brushes including a half inch Filbert and a 1" Fan, a script brush and a small round brush.

Paper towels

Water container to clean brushes.

Apron or old shirt to protect clothing as Acrylic will stain.

TIP: Some acrylic sets at places like Walmart are very thinned down and can be difficult to work with as they do not contain much pigment. I recommend brands like Lukas (mid) and Golden (high) but any sets from Jerry's Artarama or Dick Blick, Cheap Joes online stores are going to be better quality and you can get great deals on a set so you can keep painting at home.

\*\*\* If you do not want to buy a set before trying out acrylics, you can borrow mine for a small fee. I will have brushes as well for anyone to borrow.

Please reach out with any questions,
