

Supply List for Tellico Village Art Guild Spring Valley Scene Painting with Carol Robin King

I will provide a 11x14 canvas for our art project. If you prefer a larger size, you are welcome to bring your own canvas. This size just lends itself better to finishing in the allotted time. I will bring extra brushes and paint as well in case you don't have a particular item.

Supplies needed:

Acrylic Paints (Not the thick textured kind but regular tube paints)

<https://www.jerrysartarama.com/maries-acrylic-colour-set> is a great beginner set

Lots of White

Light Green

Paynes Gray

Blue

Red

Black

Orange

Bright Yellow

Violet

Basic brushes including:

¾ to 1" flat brush

5 or 6 round with nice tip

Fan brush 1" I will have a couple to loan if you do not have

Bristle brush ½" or 3/8" Flat or Round will do. Rough ends are best. I will have extras to borrow.

Paper towels

Water container to clean brushes.

Apron or old shirt to protect clothing as Acrylic will stain.

TIP: Some acrylic sets at places like Walmart are very thinned down and can be difficult to work with as they do not contain much pigment. I recommend brands like Lukas (mid) and Golden (high) but any sets from Jerry's Artarama or Dick Blick, Cheap Joes online are going to be better quality and you can get great deals on a set so you can keep painting at home.

Please reach out with any questions,

Carol Robin King
