

Supply List for Tellico Village Art Guild BOAT ON THE WATER Painting with Carol Robin King

I will provide a 11x14 canvas for our art project. If you are a Watercolorist, Please bring your preferred paper. If you prefer a larger size, you are welcome to bring your own canvas. I use 11x14 because it lends itself better to finishing in the allotted time. I will bring extra brushes and paint as well in case you don't have a particular item.

Supplies needed:

Acrylic Paints (Not the thick textured kind but regular tube paints) (you can bring oils or watercolor if you prefer) Here are suggestions for acrylics.

<https://www.jerrysartarama.com/maries-acrylic-colour-set> is a great beginner set with very small tubes
<https://www.jerrysartarama.com/lukas-cryl-studio-acrylic-suitcase-set-9-100ml-tubes-v31538?> (this won't have the exact colors, but I can help you mix the other colors we need from these. Its nice paint

COLORS:

Red

Bright Yellow

BLUE

Green (preferably light or sap)

White

Black (watercolorists may prefer Paynes Gray to black)

Any other preferred colors you like for water

Basic brushes including:

- ¾ to 1" flat brush (if doing watercolors a 2" is nice but not a must)
- # 5 or 6 round with nice tip
- Fine liner
- Bristle brush (acrylic and oil) ½" or 3/8" Flat or Round will do. Rough ends are best. I will have extras to borrow don't buy just for this.
- Paper towels
- Water container to clean brushes.
- Apron or old shirt to protect clothing as Acrylic will stain.

TIP: Some acrylic sets at places like Walmart, Michaels or Hobby Lobby are very thinned down and can be difficult to work with as they do not contain much pigment. I recommend brands like Lukas (mid) and Golden (high) but any sets from Jerry's Artarama or Dick Blick, Cheap Joes online are going to be better quality and you can get great deals on a set so you can keep painting at home.

Please reach out with any questions,

Carol Robin King
